Residence status: § 24 AufenthG — unrestricted access to the labour market

Driving licence: Class B (since 1999)

---

### PROFILE

Experienced IT systems electronics technician with over 20 years of practical experience diagnosing and repairing complex IT hardware (notebooks, PCs and other devices). Bachelor's degree in Automation Engineering and qualified electromechanical technician with a CNC focus. Many years of responsibility for hardware service, customer support and online sales. Seeking a long-term role in IT refurbishment, hardware service, CNC technology or industrial maintenance. German B1, eager to learn and highly motivated.

### CORE COMPETENCIES

- Modular repair and component replacement
- BIOS/firmware updates, driver management
- Workflow automation (n8n, Python — basic knowledge)
- Soldering and measurement technology (multimeter, oscilloscope)
- Windows administration (PowerShell, CMD)
- E-commerce administration (OpenCart)

### PROFESSIONAL EXPERIENCE

#### 11.2001 – 05.2024 — IT Systems Electronics Technician

NoteComp, Kharkiv (Ukraine) — 23 years

- Systematic fault diagnosis and repair of notebooks, PCs and other IT hardware
- Electronics and measurement technology: fault analysis of mainboards and peripherals using a multimeter, oscilloscope and soldering station
- Software management: operating system configuration, driver management, BIOS updates
- Development and technical administration of the company's online shop (OpenCart)
- Repair volume: on average 20–40 notebooks/PCs per month; service volume (incl. diagnosis and maintenance) up to 80 devices per month

#### 06.2024 – 03.2026 — Relocation to Germany and focused integration

Bavaria, Germany

- German language acquisition up to B1 level — integration course, Adult Education Centre (VHS) Prien am Chiemsee
- Application training and labour-market orientation — Institute for Personnel Training and Consulting (IPB)

### EDUCATION

#### 2023 – 2026 — V. N. Karazin Kharkiv National University, Kharkiv (Ukraine)

Programme: Automation, computer-integrated technologies and robotics

Degree: Bachelor (diploma dated 07/2026)

#### 1992 – 1996 — Kharkiv Technical College for Spindle and Tool Engineering, Kharkiv (Ukraine)

Specialisation: technical maintenance of CNC-controlled machine tools and robotic systems

Degree: Diploma as electromechanical technician / CNC technician

### KNOWLEDGE & SKILLS

#### Languages

- German (B1) — good working knowledge, actively improving

- English (A2) — basic knowledge
- Ukrainian, Russian — native language

#### **Hardware & Electronics**

- Fault diagnosis and repair of notebooks, PCs and IT components
- Measurement technology: multimeter, oscilloscope · soldering
- Diagnostic software: AIDA64, MemTest86, FurMark, HWiNFO

#### **IT, Automation & AI**

- MS Office (Word, Excel, PowerPoint) — very good knowledge
- E-commerce: OpenCart — basic knowledge
- IT administration: Windows, PowerShell, CMD — basic knowledge
- Programming & automation: Python, Google Apps Script, n8n — basic knowledge
- Graphics & CAD: Fusion 360, Adobe Photoshop, CorelDRAW — basic knowledge
- Generative AI: intensive use (ChatGPT, Gemini, Claude, Groq) for problem-solving and automation

#### **VOLUNTEERING & INTERESTS**

- Volunteer member of Wasserwacht Prien-Rimsting (German Red Cross, DRK)
- Active swimmer · healthy lifestyle, non-smoker

Prien am Chiemsee, August 2026
